

Special Facilities for Women Vishnu Dental College

Sri Vishnu Educational Society (SVES) believes that a safe, secure and cohesive learning climate is an ineluctable precondition to quality education and research in HEIs and gives utmost importance to safety and security of students. Our prime concern is to ensure that students are safeguarded against attacks, threats and accidents, both man-made and natural. The best practices and standard operating procedures that can substantively protect students from any threats and assaults, physical, social or psychological are followed.

Safety, security And counseling measures:

- 1) The physical infrastructure housing students, whether Institutions or hostels, was secured by a boundary wall of such height that it cannot be scaled over easily and to further fortify it, a fence of spiraling barbed wires was surmounted on the wall.
- 2) Entry point to the institution as well as hostels are restricted and manned by security guards all over the campus.
- 3) Along with men, we also hired woman security personnel and female wardens/care takers in girl's hostels. A special wing is established for patrolling the campus in all aspects
- 4) CC TV cameras are placed in all the areas of campus round the clock; security personnel are vigilant throughout the day to ensure safety in all the areas in campus
- 5) We strictly maintain identity verification mechanism and register of unknown entrants/visitors with their identity proofs and contact details.
- 6) We limit the speed of vehicles of day scholar students in campus to 30 km/hour
- 7) For hostlers, we maintain Biometric way of marking student movement at campus main gate is an effective way to overcome proxy and overcomes the fear of parents about their children safety and movements in and out of campus
- 8) We provide easily identifiable and authentic ID cards and wearing of such cards in the institutional premises was made compulsory by administration.

9) We implement strict actions against ragging, sexual harassment.

10) In our institute, Teacher will act as the guardians of students at the college level, should remain in close touch with the students allotted to them throughout the year, cater to their emotional and intellectual needs and convey their growth report and feedback on attendance, examination results etc to their parents at regular interval of time. They will coordinate with wardens of hostels and exchange personal details of students, academic record and behavior patterns for prompt pre-emptive or corrective action.

11) On-campus medical facilities are available 24 hours to the students and one ambulance will be kept in ready mode for attending emergency and crisis situations.

12) We installed fire extinguishing systems to protect from fire accidents

13) In case of food outlets, canteens and messes, we ensure that standards of quality and hygiene are strictly observed to prevent food poisonings and water borne infections.

Apart from those mentioned above, our institute provides separate common rooms for boys and girls and safety lockers are provided to them individually and they are monitored under CC TVs surveillance

For young children of staff and students, a day care centre (Crèche) was established in Green meadows inside the campus.

Finally, we believe that Personal safety is all about Attitude, Awareness, Avoidance and Action. We will prepare the staff as well as students and made them aware of their surroundings, to avoid risks and to enhance overall safety.
