UNIVERSAL LEARNING

PERIO AKSHAYA is a platform for continuous education in periodontics with the periodontal forum involving all the 3 generations of periodontists across the country. Akshaya as the meaning implies **“UNLIMITED”** aims at discussing the past, present and future of periodontics that would enhance and enrich the knowledge on the subject thereby uplifting the speciality for the betterment of the profession.

This unique initiative of **“Team Perio”** at Vishnu dental college invites the periodontists across the nation to play an active role in this platform and share their views and experiences in this wonderful branch of dentistry.
