--	--	----------	--	--

20 years of College Celebrations:

The VDC scheduled an alumni meet and hosted a number of CDE activities on February 18, 2023.

On March 19, 2023, Dr. N. Venkatesh Prajna, DO, DNB, FRCO, Academic Director of Aravind Eye Hospitals, was invited to be the guest of honour at the 20th annual VAARSHICA Day event.

Leadership workshop:

The SVES Leadership Summit was held at Bala Vikas Kendra in Hyderabad on February 7 and 8, 2023. IQAC is thankful that Dr. M.A.K.V. Raju, Director & Professor, Department of Orthodontics, Dr. Suresh Sajjan M.C., Principal, Professor & Head, and Dr. A. V. Rama Raju, Vice-Principal & Professor, Department of Prosthodontics, attended.

Publications:

IQAC would like to thank you for your outstanding contribution to the publication of five publications in indexed journals in March 2023: three from the field of periodontics, one from oral pathology, and one from pedodontics. We hope to see more contributions in the future. Publications from all departments are recommended by IQAC.

Community Activities & Satellite Clinics:

The outreach department values the community team's involvement in its events. We anticipate making the same effort to plan more camps in the upcoming months.

General:

The IQAC has approved the minutes of the library audit meeting and thank the librarian and chair.

Short-term goals:

- To apply for Research Scholarships for Undergraduate Students
- To conduct Implantology Workshop for Interns & PGs
- Enrolling and motivating Undergraduates, Interns, and PGs to participate in national and state conferences and give papers or posters
- Organize personality development Programs for the students.

Long-term goals:

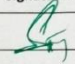

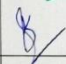

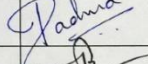

- Between 2023 and 2025, schedule one or two externally funded initiatives at the very least.
- Enable digital payments at the campus outlets.
- The institute is working out on signing an MoU with Dental material manufacturing company.
- Renovation of department of Orthodontics for patient patient care.

51	17/07/2023 TO 19/07/2023	DCI Inspection	Lucknow	DCI Inspection	Dr. Praveen Kumar Varma

General:

Moodle and proprioceptive derivation (PD)

It is recommended that all faculty members provide their names to the undersigned for training in Moodle software and Proprioception Derivation (PD).

Under Graduate Student Research Scholarships (UGSRS)

Faculty is requested to guide the Under Graduate Student Research Scholarships (UGSRS)

Implant workshop

Friday, August 4, 2023: Implantology Workshop Lecture for Fourth BDS, Interns, and PGs.
Hands-on Implantology Workshop for PGs and Interns, Supported by Dip. DM Students, August 5, 2023

ACE-VDC

August 7, 2023: 10 participants per batch, ACE-VDC Lecture on PD Derivation & Demonstration on PD Derivation

Occlusion driven dentistry

August 8, 2023: Dr. Vasanth Sivaraman and Team have conducted an occlusion workshop for the academic members.

Workshop on Occlusion will be held on 8th September 2023

LASER Dentistry

We are proposing to launch a laser clinic at our institution. In due order, the specifics will be disclosed.

Faculty Research grant(FRG)

- The University is now accepting proposals from faculty members seeking support for research. It is suggested that faculty submit their suggestions through the undersigned. Teachers who have previously received funding from the university are not qualified.

Short-term goals:

- Planning to conduct value added courses like Implantology , Occlusion driven dentistry.
- Encourage & guide students to enroll in University – YSR University of health sciences Under Graduate Student Research Scholarship (UGSRS).
- Improve the number of articles in indexed journals by 5% a year.
- PG guides of all the departments are requested to complete the dissertations in time and to conduct mock examinations for final MDS students.

Long-term goals:

- Proposing to increase the number of satellite clinics by 2024.

General:

MoU

- Dr. A. V. Rama Raju, Vice-Principal, and Dr. Rama Krishna Alla, Professor of Dental Materials, will pay a visit to Prevest Denpro, a dental materials production firm located in Jammu, on September 25th and 26th, 2023.
A group from Prevest Denpro, a Jammu-based dental materials manufacturing company, will be coming to our campus on October 4 and 5, 2023. They will exhibit their items in the Conference Hall, department by department, throughout their stay.

Zonal CDE

- IQAC requests Head of the departments to designate one faculty as zonal CDE coordinator for conducting Zonal CDE

Publications

- Between January and October, 2023, 81 publications were published by our college faculty.

International student training

- In December 2023, we will have Bahraini students staying with us for clinical training from December 4th to the 11th.
- In the month of November 2023 we will organize two workshops at our college.

Short-term goals:

- Planning to conduct value added courses like Implantology , Occlusion driven dentistry.

Short-term goals:

- Improve the number of articles in indexed journals by 5% a year.

Long-term goals:

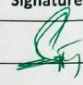

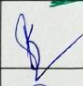

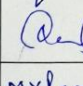

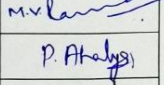

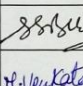

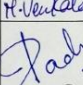

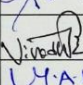

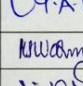

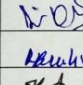

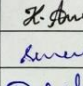

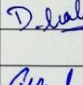

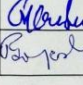

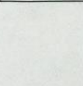

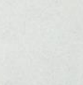

- Planning to facilitate a separate laser department.
- Proposing to increase the number of satellite clinics by 2024.

VISHNU DENTAL COLLEGE: BHIMAVARAM

MINUTES OF THE INTERNAL QUALITY ASSURANCE CELL (IQAC) MEETING
