Sub: Regarding the Skill development program for Interns

Respected sir,

This is to bring to your kind notice that the Department of Orthodontics had conducted a 3 day workshop on “Digital Workflow” on March 11th, 22nd, 25th 2024 from 8:30am to 4:30 pm for Interns of Vishnu Dental College. The resource people for this workshop were Dr. Padmapriya, Prof & Head, Dr Anoosha M Reader, Dr Manojna, Senior Lecturer, Dr Nissi, Senior Lecturer.

I hereby enclose the details

We had an Interactive lecture from 8.30am to 12.00am for batches of 27 each, which gave an overview of various types of scanners available, scanner advantages, pricing, scanning methods and different types of printers and their working principles. It was followed by a hands-on demonstration of an Allied star scanner on one of the students and printing and post processing of Direct printed Aligners and Thermoformed Aligners from 12pm to 1pm. Post Lunch, hands on scanning was done by all the students from 2 pm to 4.30pm. All the students were exposed to different scanning methods and techniques.

Out of 83 students 72 Interns have attended the workshop including Interns from Satellite clinics and Vishnu Dental College.

Thank you

Yours Sincerely

Dr C V Padmapriya

Good program

If possible to have a live demo on patient we will be very much looking forward to it . At least if we can be intimated before doing any case we can come and experience it .

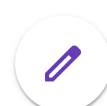

Good Innovative program

Sub: Report on Hands-On CBCT Workshop for Interns.

Respected Sir,

The hands-on workshop organized by the Department of Oral Medicine & Radiology on “Interpretation and Applications of Cone Beam Computed Tomography” for Interns was

executed with great success from 11th to 22nd March' 2024. The workshop commenced with lectures in the morning session and hands-on in the afternoon session. The feedback was very impressive with the students stating that the workshop was useful in improving their skills on advising CBCT and knowledge about the interpretation and applications of CBCT. The information received regarding CBCT was helpful in understanding its indications and evaluation. This is for your information

Thanking You,

Yours Sincerely,

Sub: Regarding the Skill development program for Interns

Respected sir,

This is to bring to your kind notice that the Department of Orthodontics had conducted a 3 day workshop on “Digital Workflow” on March 11th, 22nd, 25th 2024 from 8:30am to 4:30 pm for Interns of Vishnu Dental College. The resource people for this workshop were Dr. Padmapriya, Prof & Head, Dr Anoosha M Reader, Dr Manojna, Senior Lecturer, Dr Nissi, Senior Lecturer.

I hereby enclose the details

We had an Interactive lecture from 8.30am to 12.00am for batches of 27 each, which gave an overview of various types of scanners available, scanner advantages, pricing, scanning methods and different types of printers and their working principles. It was followed by a hands-on demonstration of an Allied star scanner on one of the students and printing and post processing of Direct printed Aligners and Thermoformed Aligners from 12pm to 1pm. Post Lunch, hands on scanning was done by all the students from 2 pm to 4.30pm. All the students were exposed to different scanning methods and techniques.

Out of 83 students 72 Interns have attended the workshop including Interns from Satellite clinics and Vishnu Dental College.

Thank you

Yours Sincerely

Dr C V Padmapriya
